With two partners, created and then ran one of the most popular hostels in Chiang Mai, Thailand called, "Nature's Way House". The hostel has a capacity for 38 people and includes a restaurant and tour/transport services. Operational since 2015 and with strong ratings - 8/10 on Booking.com and 8.5/10 on HostelWorld, with a team of 5 Thai staff incl. Administration/reception, housekeeping and a chef

Qualifications and Education

Bournemouth University, Bournemouth, Dorset, England

2009 - 2013

- BSc 2.1 with honors in Music and Audio Technology Science Degree

Kingston College, Kingston, Surrey, England

2007 - 2009

- Distinction, Distinction, Merit
BTEC in: Music and Audio Technology

Interests

In my spare time, I enjoy composing and arranging experimental electronic music. I play two musical instruments; guitar and piano, both of which I play in my band. One of my hobbies is to design and build websites for clients using HTML, CSS and JavaScript.
